Amendments:

Enanta Pharmaceutical, Inc – 4 Kingsbury Avenue

Sean Place, Environmental Health and Safety Specialist gave a short presentation of the company's move to 4 Kingsbury Avenue and the plan for their vivarium. Mr. Place explained there are various vendors hired for different aspects of the move. Dr. Lieberman asked about the animals will be transported to the new location. Mr. Place stated all new animals will be purchased for the new vivarium. Dr. Lieberman inquired about the caging. Mr. Place stated initially Enanta will use disposable and then convert to metal caging with an autoclave washer. Dr. Lieberman stated the layout presented is not the layout in the application. Dr. Lieberman questioned COVID virus as non-replicating and the vendor. She stated additional precautions need to be taken for dengue virus. Please send the updated layout to health. Mr. Parsons inquired about the waste transported and collection. Mr. Parsons questioned the solvent dispensing ie dichloromethane. Enanta plans to be in the new location on 10/28/24 and the IACUC walk through on 11/11/24.

Mr. Parsons made a motion to recommend approval of the application to the Board of Health with conditions:

1. Requested COVID source and vendor less one gene.
2. Requires Certificate of Liability with the City of Watertown as the holder.
3. Certificate of Occupancy from the City
4. An updated and complete layout of the three floors.
