Amendment Applications:

Diagonal Therapeutics – 200 Arsenal Yards Blvd. #220

Aishwarya Vishwanathan, Biosafety, gave a short presentation of the company's amendment. Dr. Lieberman asked about the additional PPE. The Tyvek suits are available as optional for lab workers and double gloving is optional also. Dr. Maguire questioned if the lenti will be used on all cell lines. Mr. parsons stated this was a good presentation and thorough. This amendment will not go in front of the BOH.

Other Business:

New and renewal applications renewal process

The community member information was added to the biosafety new/renewal application. There was a discussion about setting a radius to include those neighborhoods within the radius to qualify as resident community members. There was a discussion related to the occupancy of 66 Galen Street building.
