

# Watertown Stormwater Advisory Committee (SAC) minutes

**January 16, 2025 @ 4:00 PM, Remote Meeting on Zoom**

---

**In attendance:** Nancy Hammet (Chair), Steve Magoon, Laurel Schwab, Katie Swan, Tyler Glode, Thalia Akoi, and Warren Tollman.

**Absent:** N/A

**Visitors:** David Stokes (resident) and Joe Ganno (resident)

**I. Welcome:** Meeting called to order at 4:00 PM

**II. Nominate/vote for chair:** Nancy Hammett was unanimously voted in as chair.

**III. Reports/ Status Updates:**

a. Municipal Vulnerability Preparedness (MVP) action grant:

- Glode explained that this phase of the project includes construction on two streets (Templeton and Dexter) to install Green Stormwater Infrastructure (GSI)/tree trenches; additional streets are also undergoing designs and which BMPs to use (planning stage). Phase II of the streets that were identified in the last grant cycle are to be constructed in July 2025.
- GSI clean up and maintenance – spring 2025; working with the high school environmental club (ways to pull students to have them explore GSI) – Schwab suggested that the Committee could hold a walking tour with the high school students.

**IV. Other Business:**

a. Schedule next meeting

i. Current meeting day and time still works for everyone

b. Recruit new member

i. Have a potential member and will have met the requirements for committee for resident members.

**V. Announcements:** No new announcements

**A. Next Meeting:** February 20, 2025.

The meeting was adjourned at 5:00 pm

Respectfully submitted,

Katie Swan, Staff (Conservation Agent/Environmental Planner)
