**Tobacco Violation Hearing**

Bus Stop Variety – 121 Galen Street was heard by the BOH. Ms. Myers reviewed the findings from the RTCC during a sale with a minor on February 18, 2026 to purchase a pack of cigarettes. The violation is \$1000.00 set by the state. The owner states he and his wife are the only sales people at this establishment. The owner feels he does not match the description of the salesperson who made the sale to the minor.

Ms. Netter stated the inspector involved has not appeared in front of the BOH to explain her findings. Dr. Amirtharaj asked if the minor provided the description of the salesperson or the inspector. The minor provided the description. BOH would table their decision and vote until next month

Dr. Amirtharaj made a motion to recommend tabling the BOH decision and vote until next month.
