Reorganization of the Committee

The committee elected Brad Parsons as Chairman of Watertown Biosafety Committee

(McEwan, Mele)

Roll Call

WBSC Presentation to Health Department and/or City Council

The WBSC reviewed each slide in the power point presentation for accuracy and updated information to be presented to Board of Health in either October or November and later to City Council. The committee requests the data of labs that are not reviewed by WBSC.

Additional Business

Captain Mele is responsible for safety for hazard materials and flammables. Mr. Parsons questioned site visits and reconciling the permit the lab received versus the materials the lab is using in the facility.

Mr. Parsons wanted to add an item to the next agenda to review the renewal applications for registrations and permits. WBSC wants to clarify and discuss the incubators spaces.
