Dear Sergeant David Sampson,

Thank you for taking the time to talk with me regarding a request for a Handicap Parking Spot in front of our residence, 6 Perry Street, Watertown, next to the driveway. My wife and I have been residents here for the past 17 years and myself for approximately 34 years.

The reason for our request is that we now both have Handicap Placards. Our driveway is very small and it helps to be able to park one of the cars right next to our driveway, on the street, especially during the winter months. However, due to the business next door and living in a multi-family neighborhood, many times we are unable to get parking in front of the house.

I have attached copies of our Handicap Placards. My wife is in the process of renewing hers now. Thank you for consideration of our request.

Respectfully submitted,

Bruce Sanderson
