November 30, 2022 Traffic Commission Meeting Minutes

In attendance: Thomas Rocca, Ryan Nicholson, Steven Magoon, Gregory St. Louis, Kelly Gallagher, Robert Airasian

Traffic Commission members addressed the following items:

Item 1 – Mr. Magoon made a motion to approve the October 26, 2022 Traffic Commission meeting minutes; Mr. Airasian seconded the motion. The motion passed unanimously

Item 2 – The Commission reviewed a request by Mr. Bruce and Ms. Pamela Sanderson of Perry Street to restrict one parking space in front of 6 Perry Street to Handicap Only Parking.

Mr. Sanderson reported that both he and his wife are disabled, and both have handicap placards issued by the Registry of Motor Vehicles. Because of the size of their driveway, only one vehicle can legally fit in the space; a second vehicle overhangs the street. Mr. Sanderson requested one parking space closest to his driveway be restricted to Handicap Only parking. The Sandersons only use the backdoor of the home, and the space nearest their driveway provides the shortest distance to the door.

Mr. Magoon noted that the Commission typically approves spaces on the roadway that allow for better access to a residence but supports this request.

Ms. Gallagher made a motion to restrict one parking space in front of 6 Perry Street (closest to driveway) to Handicap Only Parking; Mr. Airasian seconded the motion. The motion passed unanimously.

New Business –

Mr. Magoon reported that the City would like to discuss how to regulate the use of non-metered municipal parking properties. This may be a potential future Traffic Commission item.

Mr. Magoon made a motion to adjourn; Chief Nicholson seconded the motion. The motion passed unanimously.

Meeting adjourned.

Respectfully submitted,
Sgt. David Sampson
Assistant to the Traffic Commission
