Mr. Sampson, (Sgt.)

I am writing to you to request a Handicapped sign, for my husband, who is an 89 year old Korean War Veteran.

We have a very difficult time finding a parking spot on Berkeley Street or in the parking lot at the end of the street.

There are commercial vehicles and equipment taking up spaces for residents. Also, unregistered vehicles that don't get ticketed or towed.

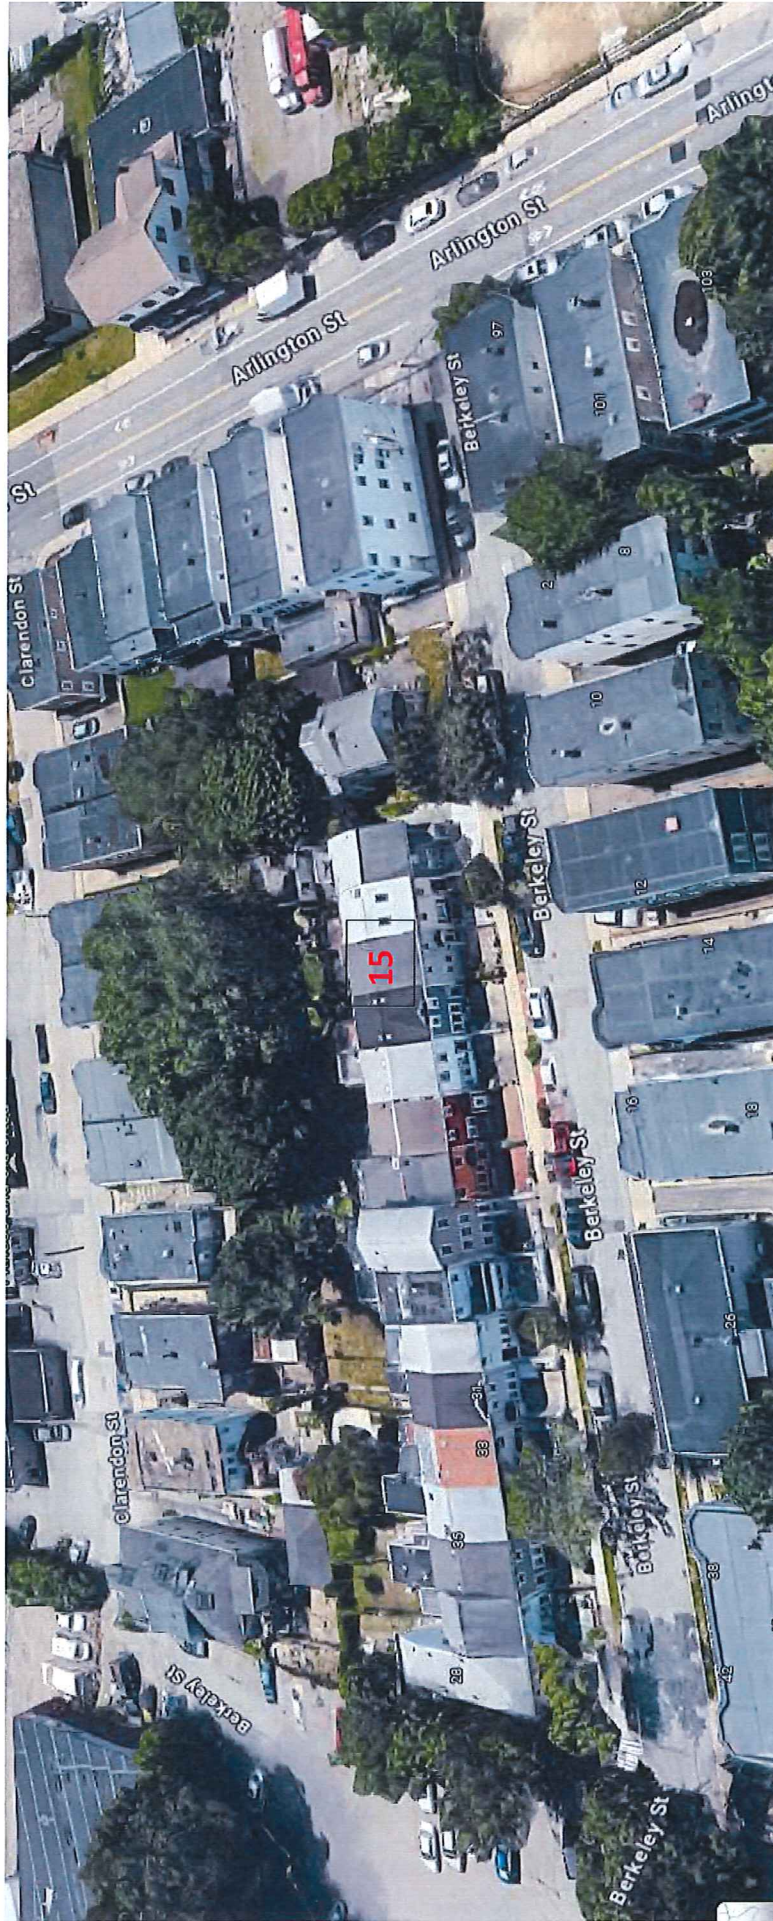

We have tried many times to resolve this problem, without success.

Thank you for your help with this problem.

We plan to be at the meeting.

Sincerely,
Sarah Surette
